

# You're invited to join the Combined Federal Campaign.

## Congratulations on your new position in the Federal government!

You now have the opportunity to support charitable organizations that mean a lot to you through the Combined Federal Campaign (CFC), the annual workplace giving campaign for the Federal community. The CFC pledge season runs from September through early January, but the exciting thing is you don't have to wait! New employees are eligible to pledge within the first 30 days of employment. Here's how:

### 1. Choose your cause

Whether you care about youth development, military families, or animal welfare — the CFC has a charity for any cause you want to support. You can even give to multiple charities with one pledge.

### 2. Make your pledge

The online pledge portal at [opm.gov/ShowSomeLoveCFC](https://opm.gov/ShowSomeLoveCFC) allows you to easily renew your pledge each year and offers the full range of pledge options:

- Payroll deduction
- Credit/debit card
- E-check
- Volunteer hours

If you previously supported CFC charities in a former Federal appointment, you can transfer that gift to your new payroll provider by updating your profile.

### 3. Help is on the way

Thanks to your generosity, your chosen charities will make a difference in your local community, across the nation, and around the world.
